

Bond To Bond Transfer Information

The following information MUST be shown on all bond to bond transfers:

1. Date of transfer
2. Name, address and registry number of the winery transferring the bonded wine.
3. Name, address and registry number of AVP*
3. Separate line for each type of wine. Each item needs:
 - Vintage (indicate if it is sparkling)
 - ABV
 - Number of gallons
 - Container type
4. Total gallons transferred

Please ensure that all the above information is included on all incoming bond to bond transfers. for wine. If all this information is not shown on the form, this could result in our refusing the load until the proper paperwork is received.

*Please note AVP's registry number is OR-W-21602
